No 228/35. 6

Bangalore District
Police Superintendent's Office
Bangalore 21st July 1868.

To

The Superintendent
Cundedroog Division.

Sir,

I have the honor to acknowledge the receipt of your Memos No. 528/25 of 3rd and No. 538/27 of 16th Instant with their enclosures, a reply to the former was delayed as I need a few days after wards of the arrival of the latter and awaited its receipt knowing it would enable me to put the matter in a more complete form.

2. Subsequent enquiry into the service of men of the old Pettah Force having caused some alteration in their classification for pension and gratuity, I beg to submit amended rolls (marked A I and B I,) together with copies of the references (marked G H I J N) on which they are based, in lieu of those sent with my Letter No. 110/17 of 22nd January 1867.

I presume from the enclosed Memo. statement marked H) against Menacine of Shaik Bundagi that

that the dates of commencement of service as stated by the Accountant are taken from the date of the orders appointing the men, the Statements of the men themselves shown in the column of remarks are not taken entitled to much weight. On these Rolls being approved a bill can be submitted for the gratuities viz Rs 681.

3. (Referring to para 2 of the Secretary's last letter I beg to state that the Amount to be expended to men of the Cantonment Force shall be distributed immediately on receipt of the Government Savings Bank book of the Superannuation Fund which has been sent to Accountant for audit, & pending bill for these men prepared in accordance with the instructions conveyed in para 2 of the Secretary's first letter and amounting to Rs 8607 is herewith enclosed (Marked B II).

4. Replying to para 3 of the Secretary's last letter I have the honor to state that the men of the Cantonment Force of 24 years service and upwards elect pensions in preference to gratuities, their names will be found in the accompanying Statement (Marked A II)

5. At foot of the Statement (marked A II) I have included the names of Men still in employ

to those

whose service in the old Force exceeds 25 years but who under the supposition of being discharged with only a gratuity, preferred to join the new Force; as they have under the present proviso qualified for pension I trust the Govt will sanction that they may be offered a pension or that which found unfit for service (as they must be in a few years) their case may be dealt with on the same terms, the bulk of their service has been performed as non-subscribers to the old Superannuation fund which, as no subscriptions are accruing to it could not bear the burden of their pension

6. In like manner I would solicit the the pensions of the 29 (already reduced to 26) men debarred to us the last para of the Resolution of the Government of India (No 2281, received with Secretary's first letter) may continue to be debited to the provincial Budget (as sanctioned by the Commissioner in Secretary's Letter No $\frac{668}{638}$ of 3d Feby 1868) and not to the moribund Superannuation Fund to which they had subscribed but a very few years of their long service and which cannot with Equity (or any chance of remaining solvent)

defray

defray such a charge.

7. The refund of subscriptions & dues transferred to the Cantonment Magistrate Court directed in para 4 of the Secretary's last letter shall be made at an early date.

8. The separate Roll for the pensioners of Old Jattak Force called for in para 4 of the Secretary's first letter is herewith enclosed (marked III) together with an accurate Register of his Service - (marked IV)

9. In conclusion I would beg that on these pensions being sanctioned they may be made (as is usual) payable at the Mukhtiar or District Treasury and that Treasury officer transfer the 26 pensioners to that Office as my Establishment does not admit of my maintaining the careful scrutiny required in these matters, and Executive duties are often interfered with by the work connected with the payment of these pensions.

I am directed to return herewith the receipt for letter No. 1995/18 of the 10th instant, forwarding Copy for Communication from the Supt. of Police with Amended Rules of Pension of the old Police Force recommended for Pension and gratuity on discharge, and to Communicate the following observations thereon.

2. Of the 15 men whose names are entered in Statement A I, three (Nos. 378-214 & 260) having served less than 30 years, commencing from the age of 16 years, are not entitled to pension, but may be allowed a gratuity equal to 6 months pay each, for which a Bill may be submitted for the Comptr's sanction. The remaining 12 men are entitled to pension of Rs 4 each per mensem, under the Order of the Govt of India.

B 4/1/68

× No. 1015-97/8th July 1868.

3. In accordance with the ruling of the Govt of India in the Foreign Dept. No. 175 dy 25th June 1868, the 19 men entered in Statement A II, are entitled to half pay pension as proposed. The Commr requests to state the period of service

as 25 years and upwards, but this number, in the opinion of the Comptr, appears to be overweight, as 24 years was the period laid down in the rule by which the supernumerary fund was formed.-

4. Statement B.I contains the names of 23 men considered unfit for service in the Police force and recommended for pensions, ranging from 6 to 3 months pay - aggregating Rs 681 - This amount is sanctioned by the Comptr -

5. Statement B.II is a pensionary bill for 31 men of the late Cantonment Police, whose services were dispensed with from the 31st May 1868. The amounts of Rs 860 and may be submitted to the Accts Dept for audit, authority for the disbursement having been conveyed in this office letter No. 1830/13 of the 29th June 1868.

6. With reference to Jemadar Dundoo of the Pattah Police, mentioned unfit for further service, I am directed to state that having served in an Eligible grade, he is entitled to a supernumerary allowance under the following Rules.

12 7. The Comptr requests that the Dept of Police may now be called upon to submit an account of the old Superannuation fund with any proposals he may have to make regarding the disposal of the balance after making the refunds authorized by the Govt of India in Docket No 220 of the 6th instant to the Dept.—

8. No advances of pension are now desired to stay, as none have been drawn since the order of the Govt of India in the Genl Dept have been rcd.—Arrears only are payable.—

In acknowledging the receipt on 28th instant of your Docket No 2601/44 of 25th inst, I have the honor to submit herewith a Statement of the assets &c of the old Superannuation Fund, this would have been forwarded earlier but that I awaited a reply to the Enquiry in Para 3 of my letter No 281/44 of 26th August as to whether payments to the fund of men admitted to pension should be refunded to Government, this point being still undetermined I beg to enclose a Statement of the Amounts (marked B).

2. Statement A exhibits the state of the Fund on its being wound up, the interests on the Government promissory Notes for Rs 2000/- is approximate as the same

same have not been realised and interest on the Notes is still accruing they have also been shown at par as premium accruals, the balance viz: $3150 - a - b$ is all available for transfer to the new Fund but if the Commissioner deems that payments to the fund by men pensioned should be credited to Government, the amount then available will be 2571 : 7 : — this sum is mainly composed of the payments of men transferred to the new Force who (under para 3 of Resolution of Government of India № 2281 dated 28th April 1868) retain the privilege of counting towards pension their service as subscribers to the old Fund their payments therefore belong to the new fund, the rest has accumulated thro' lapses and also belongs to the Fund I beg therefore that the Commissioner may be moved to authorize any transferring to the new Fund one of the two amounts according as he may decide on the payment to Government or otherwise of the amount shewn in Statement B.

To 31

The Supdt Municipal Dr

Sir,

I acknowledging the receipt of your letter No 2781/24 P the 7th instant, I am directed by the Commrs to communicate the following remarks.

The list submitted by the Supdt of Police contain (with one exception) only the name of those members of the Cantonment Police Force who were recently dismissed, but besides these, 29 men were transferred in 1860 from the Superannuation Fund to the Govt Pension list, on its being represented that the fund was verging on insolvency. The subscriptions to the Fund of these 29 men should be added to that of the 18 lately dismissed, and although the aggregate amount will not suffice to meet the pensions (Rs 1945 having been disbursed up to 31st Augt 1864), the Commrs is of opinion that the fund has been entirely relieved of pensions, the whole of its assets should be transferred to Govt, excepting

Subbadar Munjee Rao

the subscriptions of men who have been transferred to the new Force, which may be made over to the new Fund.

Yours [illegible]

To

The Secretary to the

Commissioner of Mysore

Sir,

I have the honor to submit for the consideration and orders of the Commissioner correspondence as per margin relating to the winding up of the old police superannuation fund, and the proper distribution of the assets amounting to about Rupees 3:15-0-4-6.

2. With reference to the Secretary's letter No $\frac{4136}{22}$ of the 14th October 1868 to the address of the Superintendent of Nundidroog, it will be seen from Captain Gompertz's statement C. that the 29 men, who were pensioned by Government in 1856, have drawn from the fund considerably more than they have subscribed; and so it does not appear that they can have any further claim on the fund.

3. The parties who have now to be considered may be divided into two classes; those who on the revision are transferred to the new fund, and who appear in Captain Gompertz's statement D; and those who on the revision are to be pensioned

From Supt of Police Bangalore No $\frac{433}{14}$ dated 12th Decr 1868 with 5 enclosures

From ——— No $\frac{476}{16}$ dated 8th January 1869 with one enclosure

ed by Government, and who figure in the statement **B**.
It appears to me that the assets of the old fund would most fairly be distributed between the Government and the new fund in the proportion of the respective payments to the old fund of these two classes of subscribers. To transfer the old men to the new fund with only their subscription and without any share in accumulations by interest and lapses, would appear to be hardly fair upon the new subscribers.

4. If the Commissioner should concur in this view the account would stand thus: the assets amount to

Rupees ——— 3,150 - 4 - 6

The subscriptions of class **B** to — 578 - 13 - 5 }
——— **D** ——— 1521 - 6 - 9 } 2,100 - 4 - 3

950 - 0 - 3

The sum of Rupees 950 represents the assets remaining after deducting the subscriptions of classes B and D; and of this sum about one fourth, or Rupees 237-8-0, would be due to Government.

I have the honor to be
Sir,

Sir I am desired by the Commissioner to communicate his sanction to the proposals contained in your letter No. 1883/246 of 18 last for the disposal and distribution of the assets of the old Police superannuation fund - The Police assets amount to Rs 3150-4-6, and you propose that after deducting from them, Rs 2200 should be shared between the State and the new Fund & that many of the subscribers to the old fund have been transferred, in the proportion of the parts respectively made by them - The principle of this adjustment is approved by the Commissioner but from the reports details, it is evident that some further enquiry will be

Appropriated to Rs 2226.7.3,
